THE ROYAL CIRCLE OF FRIENDS OF THE WORLD COMES TO KANSAS CITY.

Mr. A. L. Richmond, Grand Supervisor of the State of Missouri has chosen Kansas City as his headquarters, and the city is to be congratulated on having added such a hustling and progressive citizen as Mr. Richmond, and having the headquarters of such a great organization brought here. Mr. Richmond has only been here a month and has organized three local circles with large memberships.

The Royal Circle is one of the leading fraternal insurance organizations of the United States, with a total membership of over 75,000 and total assets exceeding \$100,000 operating in all the states of the United States.

It offers advantages to its members that exceed that of any other Order, paying \$7.00 per week for sickness or accident, a \$150.00 policy and places at the grave of each deceased member, a monument worth \$100.00.

During the month of October, Mr. Richmond is running a campaign, taking in all persons from the ages of 15 to 50 for the sum of \$2.50. After this month the regular joining fee of \$5.00 will go into effect.

Policies in the order are in full benefit in 90 days and after that time you

can increase your policy as high as \$1,000 with a small increase in monthly dues.

The total cost to stay in the order is only \$1.25 a month with no taxes. For information regarding the order write or call on Mr. Richmond who has opened an office at 1834 Paseo, with the C. & C. Chemical Co.
